<u>Lessees</u>	<u>Total rent revenues (in JPY thousand) (note)</u>
<u>Tida Power 01 G.K.</u>	<u>2,331,196</u>

(Note) Total rent revenues stated are the sum of the amount of basic rent and the amount of performance-based rent in the 6th fiscal period (ended June 30, 2020). LOHAS CLEAN ENERGIES WORLD K.K. was the lessee for CS Izu-shi Power Plant at the beginning of the 6th fiscal period (ended June 30, 2020). However, the company merged with Tida Power 01 G.K. with the latter as the surviving company on January 15, 2020. For that reason, the amount including rent revenues from the company before the merger is assumed for total rent revenues.
