Notice concerning the Impact of the Heavy Rainfall in Kyushu Region

We would like to express our deepest condolences to all those affected by the heavy rainfall in Kyushu region from the last weekend and our wishes for the earliest possible recovery.

Canadian Solar Infrastructure Fund, Inc. (“CSIF”) announces that it has conducted a review of its power generation facilities in connection with the heavy rainfall in Kyushu region since June 29, 2019.

The Canadian Solar O&M Japan K.K which is the O&M operator for the CSIF reported that the CSIF’s plants in southern Kyushu region suffered no material damages affecting its energy output from the heavy rainfall as far as is known as of 11:00am of July 1.

CSIF will continue to monitor and review its portfolio, and additional disclosure will be made should there be any material developments.
